

# Quick Ship Conveyors

Table Top

Modular Plastic

Synthetic Fabric Belt

Are you tired of waiting for your food packaging conveyor needs to be fulfilled? Don't get stuck in the slow lane! **Quick Ship Conveyors** are here to supercharge your production line with reliable and efficient conveyor solutions. With an industry leading 3-4 week lead time, our conveyors are engineered specifically to survive in the harsh environments of the food manufacturing industry, ensuring optimal performance and customer satisfaction.

## Key Features:

- Industry-leading 3-4 week lead time
- Stainless steel and food-grade plastic materials
- Standardized 882 Table Top conveyor belting in widths of 3.25", 4.5", 7.5", 10", and 12"
- Universal drive frames, tail frames, straight section frames, and curve frames
- Customizable leg length with or without legs
- Reconfigurable modular design

## Benefits of Quick Ship Conveyors:

- Equipment reliability
- Exceptional after-market service
- One-year warranty on wear parts
- Spare parts available for purchase
